Frame the Relationship <#>

- **Purpose:** growth in character, craft, and calling.
- **Cadence:** 3×/month (45–60 mins), one in-person if possible.
- **Confidentiality:** stories stay in the room; safety exceptions.

First 30 Days — Discovery <#>

- Story map: origins, strengths, wounds, non-negotiables.
- Assessment: 360° from 3 voices; pick 1 growth theme.
- Plan: 3 habits, 1 project, 1 relationship to repair.

Days 31–60 — Practice <#>

- Weekly reps tied to the theme (streak tracker).
- **Shadow / Show:** observe once; demonstrate once.
- Feedback: *facts* → *feelings* → *fixes*.

Days 61–90 — Stretch <#>

- Challenge: public commitment with a date.
- Teach-back: mentee teaches the principle to someone else.
- Review: renew, redefine, or release.

One-Page Covenant (Template) <#>

We commit for 90 days to honesty, punctuality, preparation, and follow-through.
