Introduction This covenant is for men who are serious about brotherhood - not in theory, but in practice. It is not a legal document. It is a voluntary commitment to: - Walk in truth - Protect each other's destiny - Refuse the culture of isolation, secret sin and silent collapse You can read this together, sign it, and review it annually. {/ stripped: duplicate frontmatter block /} 1.

**Commitment to Truth** We agree: 1. To speak truth in love , even when it is uncomfortable. 2. To reject flattery, gossip and half-truths about each other

3. To share honestly about our pressures - financial, relational, emotional, spiritual - at an agreed rhythm. > "No performance. No pretending. No man left standing." (John 18:15)

**Responsibility** We agree: 1. To ask hard questions when we see drift - in faith, family, finances, or character. 2. To challenge each other's decisions where we see clear risk or self-deception. 3. To show up - not only in crisis, but in the ordinary rhythms of life : - birthdays, milestones, transitions, setbacks. We are not saviours. But we are responsible brothers . {/ stripped: duplicate

Example: Tx monthly in person / online meeting 60-90 minutes : - Secondary touchpoints: - Example: weekly check-in message voice note / short call . We can integrate automation - Go to the next slide to see the workflow.

Another task can be given to each brother. Nothing prevents the brothers from appointing a simple rotation.

Another tracks key commitments/decisions. Nothing fancy. Just a detailed list of what the HLA Signatory Party will do.
