

Decision Matrix Scorecard

Structured scoring for high-stakes decisions (board / founder / household)

Decision

Decision title			
Owner	Date		

Criteria (weights must total 100)

Define criteria, assign weight, then score each option 1–5 (5 = best).

Criterion	Weight	Option A	Option B	Notes

Rationale & guardrails

Rationale (what we believe is true, and why)

--

Guardrails (what would make us reverse this decision)
