Leadership Playbook

30•60•90	
Win your week. Guard the standard. Build what lasts.	
Abraham of London • abrahamoflondon.org	

How to Use This Structure a first **90-day push** or any focused sprint. Weekly loop: $Review \rightarrow Decide \rightarrow Schedule \rightarrow Ship \rightarrow Reflect$. Use the A6 **Cue Card** for daily recall. Who this is for Leaders who choose presence over performance and proof over posture.

Operating Rhythm

Mon — **Focus:** choose 3 non-negotiables; clear blockers.

Tue — **Build:** deep work; no meetings until 14:00.

Wed — **Review:** metrics + midpoint decisions.

Thu — **Ship:** release one increment, however small.

Fri — **Reflect:** wins, misses, lessons; reset board.

Weekly Review
What moved the mission?
Where did we slip the standard?
One constraint to protect next week
One thing to cut
Risks surfaced → countermeasure

Team Standards
Keep counsel private; let public work speak.
Ship less, better. Constraints preserve quality.
Cash discipline over clout; stewardship over spectacle.
