description="A Rule of Life is not a schedule of chores; it is a constitution for the soul. It defines the borders between a man's mission and the world's noiseand enforces those borders under pressure."

Operational Truth: A man without a Rule is a man at the mercy of other men's agendas.

I. DEFINITION AND PURPOSE

A Rule (Latin: Regula a straight edge, a trellis) is a personal governance system: boundaries, rituals, and standards that stabilise identity and output.

Without a trellis, the vine doesn't grow free. It rots on the ground.
