Decision Matrix Scorecard

Use this when the room is split, the stakes are high, or emotions are masquerading as logic.

Decision Matrix Scorecard

A **fillable** matrix designed to reduce decision failure.

Best used when:

- You have multiple options and competing values
- The decision has second-order consequences
- Stakeholders are persuasive but inconsistent
- You need an auditable rationale (board-grade hygiene)

Output:

- Weighted scores
- Trade-offs made explicit
- A decision narrative you can defend later
