Family Altar Liturgy

Why a [Family](/lexicon/family) Altar?

Every home is built on something: noise, hurry, screens - or **intentional presence**.

A family altar is not a piece of furniture. It is a **pattern of meeting God together** - simple, repeatable, and rooted in Scripture.

This liturgy is designed to work in:

- Busy weekday evenings
- Early mornings before school
- Weekly "[Family](/lexicon/family) Night" slots

Aim for **15-20 minutes**. Consistency is more important than perfection.

1. Call to Attention

The leader (usually a parent) simply says:

> "Let's come to the table. Phones down, TV off. This is our time before God as a family." \_

Then a short call:

> **Leader:** "The Lord is our Shepherd."

> **[Family](/lexicon/family):** "We will not fear."

You can choose any simple verse to repeat every time. Repetition builds memory.

3. Conversation & Reflection

Ask **simple, open questions**:

- \_ "What stood out to you?" \_
- \_ "What does this tell us about God?" \_
- \_ "What does this invite us to do or change?" \_

Do not turn it into an exam. The aim is **heart engagement**, not perfect theology.

For younger children:

- \_ "Where do you see God being kind in this story?" \_
- \_ "How can we show that same kindness this week?" \_

INSTITUTIONAL BRIEF

/DOWNLOADS/FAMILY-ALTAR-LITURGY

PUBLIC

Family Altar Liturgy

You can end with one clear takeaway:

>\_ "Tonight's truth: God is our shepherd. He sees us, leads us, and provides for us."\_

Write it on a sticky note and leave it somewhere visible.

Weekly Rhythm Example

\*\*Monday:\*\* Psalm focus (comfort and trust)

\*\*Wednesday:\*\* Gospel story (character of Jesus)

\*\*Friday:\*\* Thanksgiving night (what God has done this week)

\*\*Sunday evening:\*\* Look ahead (school, work, major events)

The goal is not to manufacture perfection. The goal is to \*\*anchor your home in the presence and Word of God\*\*.

Start small. Stay consistent. Let the atmosphere of your home shift over time.

ATTESTATION

Issued under the authority of The Architect.
