LIFE ALIGNMENT ASSESSMENT

A Diagnostic Tool for Purpose-Driven Living

Assessment Series: Purpose Alignment System

Overview

This assessment helps you evaluate alignment across six key domains:

- Identity
- Decision-Making
- Environment
- Behaviour
- Emotional Order
- Legacy

How to Use

1. Complete the self-assessment checklist
2. Score each domain based on honest self-evaluation
3. Identify weakest domains requiring immediate correction
4. Establish corrective priorities
5. Schedule regular reassessments (quarterly recommended)

Full assessment checklist available in the PDF download.
