Purpose Pyramid Worksheet

{"The [Purpose]/(vault/lexicon/purpose) Pyramid is not a brainstorming exercise; it is a structural audit of your time and resources."}

This worksheet is designed to force clarity by aligning your highest mandate with your most immediate actions. If the layers do not connect, you are experiencing "Strategic Drift."

A high-fidelity, A4-ready worksheet designed for quarterly governance reviews.

The Architectural Hierarchy

1. The Apex: [Purpose]/(lexicon/purpose)

- Question**: What are you building that is worth the cost?
- Standard**: This must be objective, enduring, and non-emotional.

2. The Mid-Tier: Priorities (The Quarter)

- Question**: Which 3 outcomes move the needle toward the Apex?
- Standard**: If everything is a priority, nothing is. Limit to three.

3. The Base: Proof (The Daily)

- Question**: What evidence exists today that you are pursuing these priorities?
- Standard**: High-integrity execution requires a "Definition of Done" for daily blocks.

Operating Instructions

- Print & File**: Do not leave this as a digital ghost. Print it, fill it by hand, and file it in your Institutional Ledger.
- Quarterly Cadence**: Perform this audit every 90 days.
- The Drift Check**: If your daily "Proof" does not clearly support your quarterly "Priorities," **stop execution** and re-align.

{"Success is the accumulation of aligned days. The Pyramid ensures no day is wasted on noise."}

Resource ID: VAULT-PP-001 | **Category**: Strategy & Execution
