Brotherhood Communication Script

[Purpose](/lexicon/purpose)

This script gives brothers a **clear, repeatable structure** for honest conversations - especially when things are busy, messy, or tense.

It is not a performance. It is simply a **framework to protect truth, honour and brotherhood**.

You can use it:

- For weekly or monthly check-ins
- Before or after a major decision
- When there has been tension, distance or silence

Step 2 - Reality Check (5-10 minutes each)

Goal: say clearly where you really are - no spin, no pretending.

Use this simple template:

1. **State your headline:**

- **Headline:** I feel stretched and close to burnout. _
- **Headline:** I am excited about this new opportunity but unsure if it's wise. _

2. **Name your top 3 realities:**

- **Financially...** _
- **Emotionally...** _
- **Spiritually...** _

3. **Identify any pressure points:**

- **The biggest pressure right now is...** _
- **What keeps me awake at night is...** _

No one interrupts. No fixing yet. Just listening to understand.

Step 4 - Decisions & Commitments (5-10 minutes)

Goal: leave with clear next steps - not just good feelings.

Brotherhood Communication Script

- **1. What am I deciding?**
- "I will speak to my wife about this by Friday."
- "I will say no to this deal, even though it looks lucrative."
- **2. What will I do in the next 7 days?**
- "I will send you an update message by Wednesday evening."
- **3. What support do I need from you?**
- "I need you to challenge me if I start to drift from this decision."
- "Please ask me specifically about my thought life next week."

Agree **one concrete follow-up date**.

Step 6 - Follow-Up Rhythm

To keep this script alive:

- Use it **weekly for crisis seasons**, **monthly for normal seasons**.
- Keep a simple log: date, headline, decisions.
- Review: "What have we kept? Where have we drifted? What needs repairing?"

This is how brotherhood moves from **good intentions to disciplined loyalty**.
